Sprint 1 Testcases

This is how our index page looks like,

In our index page we can register into a account, we can login into our account and see the demonstration of our project.

This is how our registration page looks like,

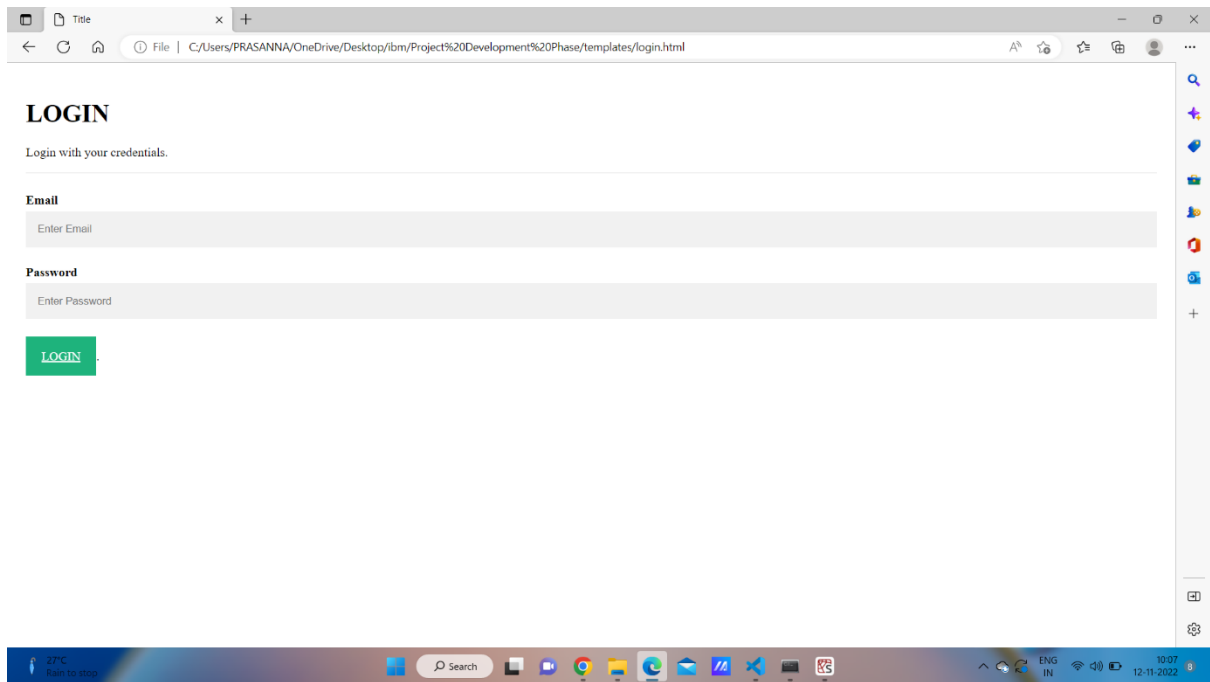

The screenshot shows a web browser window with a single tab titled 'Title'. The address bar displays the file path 'C:/Users/PRASANNA/OneDrive/Desktop/ibm/Project%20Development%20Phase/templates/register.html'. The page content is a registration form with the following elements:

- Register**: The main heading of the page.
- Please fill in this form to create an account.
- Email**: A label above a text input field containing the placeholder text 'Enter Email'.
- Password**: A label above a text input field containing the placeholder text 'Enter Password'.
- Repeat Password**: A label above a text input field containing the placeholder text 'Repeat Password'.
- Register**: A green button with white text.
- Already have an account? [Sign in](#)

The Windows taskbar is visible at the bottom, showing the system clock as 10:06 on 12-11-2022, and the language set to ENG IN.

Here we can register for an account by giving our credentials, if we already have an account we can login into that account

This is how our login page looks like,
